

Nissan Off Road Club Special General Meeting - 14 January 2017

The committee of the Nissan Off-Road Owners club (NOROC) is concerned about its membership numbers, as has as a result arranged an open forum on 14 January for all concerned persons (Club members and non-members). The purpose of this meeting is to give the opportunity for all attendees to contribute to various topics relating to the Club.

In light of this, you, as an attendee are given the opportunity to comment on the merits of the club's existence, as well as further activities, actions or involvements that the club may do in order to better serve its membership.

The following are questions that you can answer anonymously:

1	List, in order of importance, on a scale of 1 to 10, the responsibilities and activities that you would consider important for the club to be involved in, and that would make you want to become or remain a member of this club:
---	--
