SIMBA 4x4 TOURS AND SAFARIS

All Safaris run by **SIMBA 4x4 TOURS AND SAFARIS** will start and finish in Johannesburg, South Africa. The also applies for Safaris for which we have to arrange 4x4 hire. **Most destinations are in malaria areas, so please arrange malaria prophylactics in advance for this trip**

Optimum 'per person per day' pricing is for a party of at least 8 adults. For Safaris of fewer people, the 'per person per day cost' may be noticeably more expensive. Children under 12 pay half price if there are more than 4 persons paying full price. Minimum age for children is 8 years. Infirm adults are advised not to participate in these Safaris, due to the Tent access via ladder and the physicality of the Safaris.

- All **SIMBA 4x4 TOURS AND SAFARIS** are Guided, Self Drive and Self Catering Safaris. At some venues meals at Lodges are available.
- A minimum of 2 adults will be required for any Safari. The optimum pricing (pppd cost) is when the party size is 8 adults.
- The absolute maximum Safari size is 4 tourist vehicles, or 14 tourists. This is normally driven by camping facilities or campsite size.
- If you are a Local Tourist without a 4x4 or an International Tourist, **you will have to hire a fully equipped 4x4** (with low range).
- We will liaise with you to work out a menu and a shopping list for food before your arrival date and after deposits are paid.
- For those hiring a 4x4, you need to arrive half a day **before departure** date to collect the vehicle, purchase & pack supplies.
- The days of collection and return will be charged as **extra days for the 4x4 hire** if returned the day **after** the tour finishes.
- If you need to sleep over in Johannesburg, I can arrange this at a local guesthouse with secure parking. Please enquire.
- We will depart from Johannesburg at 06h00 on the first morning. A second meeting point north of Pretoria can be arranged.
- **Most of the destinations north of SA are Malaria Areas. Malaria prophylactics are mandatory. Get these from your local Doctor.**
