

*The Fun*

1400

*With Add-A-Room*

*T-Top Xklusiv*

*With Add-A-Room*

*It has a unique patented slide out rail and lifting bow.*

**THE T-TOP XKLUSIV** is a robust Rooftent constructed of 340gsm wax coated polycotton heavy duty ripstop fabric that is double stitched throughout and stretched onto aluminium or powder coated steel bows supported by hinges attached to top quality polyurethane coated plyboards strengthened with aluminium hardware including custom designed aluminium interlocking board profiles that lock the boards together when the Rooftent is open.

#### Features include:

- The T-TOP has a unique slide out anodised aluminium roof extender that provides additional cover to climb into the sleeping compartment from inside the extended rooftop.
- The tent is also protected by a lightweight reinforced PVC flysheet.
- On the inside there are two elongated storage pockets.
- Zip up privacy panels on both mesh covered side windows.
- Abungy system to aid closing the Rooftent when packing up.
- The T-TOP comes complete with an SABS approved 65gsm high density fabric covered mattress
- A fully retractable anodised aluminium extenda ladder with built in footpiece.
- A ratchet assist weatherproof heavy duty reinforced PVC travel cover.
- The large Add-a-Room is manufactured of lightweight 260gsm Teflon coated polycottonripstop fabric with special features of a fully opening weatherproof window and a mosquito mesh door and a zip-up opening rear panel to access the vehicle.
- A ground sheet is included.

**Entry to sleep area:**  
Note the unique patented slide out rail and lifting bow to give more head-room when entering the rooftop.
